In Decision No. 67444 ("Decision"), the Arizona Corporation Commission ("Commission") granted to OCMC, Inc. ("OCMC") a temporary waiver of the provisions of AAC R14-2-1006.A., during which time OCMC could file to make the waiver permanent. As set forth in the Decision and as stated during discussions at the Open Meeting, the purpose of the temporary waiver was to allow Staff to review OCMC's performance during the six-month period (including any complaints filed during that time) to determine whether a permanent waiver is warranted.

In compliance with the Decision, on April 28, 2005, OCMC filed a request to make the waiver permanent. On May 20, 2005, Commission Staff served on OCMC data requests seeking information regarding call processing times during the six-month period. OCMC served responses to those data requests on May 25, 2005.

1 OCMC has conferred with Commission Staff and understands that,
2 following its receipt of OCMC's data responses, Staff intends to prepare a Staff Report
3 with its recommendation regarding OCMC's performance during the six-month period and
4 its recommendation regarding the permanent waiver. Following the submission of the
5 Staff Report, OCMC expects that a final decision on the matter will be reached. However,
6 given Staff's need to examine OCMC's performance during the six-month period, OCMC
7 does not expect a final decision to be rendered prior to the expiration of the six-month
8 period.

9 OCMC respectfully requests that, to the extent necessary, a Procedural Order
10 be issued confirming that, given the structure of the waiver granted and the need to allow
11 Staff to examine OCMC's performance during the six-month period, the temporary waiver
12 is extended until a decision can be reached by the full Commission on the permanent
13 waiver. OCMC has conferred with Commission Staff and Staff has indicated that it has no
14 objection to this request.
